■ Precautions

Visitors may be denied accommodations if they fail to follow the instructions of the attending physician or other staff, engage in prohibited activities, or cause inconvenience to other patients.

- We ask that you make up the sofa bed on a self-service basis. Also, please return the sofa bed to its original condition upon departure.
- After entering a room, please stay in the room as a rule.
- **Alcoholic beverages are strictly prohibited in patient rooms.** Please refrain from coming to the hospital after consuming alcoholic beverages.
- Please refrain from bringing in audio equipment with loud sound.
- Please bring your own sleep wears. Also, please wear something in the room as staff may come in and out of the room.
- Guests are requested not to use the patient's bed.
- **Overnight stay is also meant for practicing childcare, so please stay when the baby stays together with the mother.**
- We reserve the right to refuse the stay due to the patient or baby's medical condition.

Please ask our staff if you have any questions.
